

Are there any electrical distribution box manufacturers in Zimbabwe

Article Overview

Zimbabwe has several electrical distribution box manufacturers, with at least a few key companies actively producing and supplying these products.

Overview of Manufacturers

Several companies in Zimbabwe manufacture or supply electrical distribution boxes, also known as distribution boards or panel boards. Notable manufacturers include:

- o Cypriano Electrical (Pvt) Ltd: Specializes in the manufacture of electrical distribution boards, light fittings, and electrical installations, serving both commercial and residential clients in Zimbabwe .
- o GEC - Electrical Transmission & Distribution: Provides a range of electrical products including transformers and distribution solutions, holding exclusive rights for Alstom Grids in Zimbabwe .
- o Power Life Energy: Focuses on electrical distribution and renewable energy solutions, including design and implementation of photovoltaic systems .
- o Prime World: Distributes high-quality solar and electrical products, including distribution boxes, for residential, commercial, and industrial clients .
- o NeedEnergy: Offers distributed energy resources and monitoring services, supporting electrical distribution infrastructure .

Market Size

While an exact number of manufacturers is not publicly listed, directories and B2B listings indicate that there are at least 5-10 active companies involved in the manufacture or supply of electrical distribution boxes in Zimbabwe . Additional smaller suppliers and local workshops may also produce distribution boxes, particularly for residential and small commercial projects.

Product Scope

Electrical distribution boxes in Zimbabwe typically include:

- o Bus bars, fuse links, and switches
- o Residual Current Devices (RCDs) and circuit breakers
- o Housing for wiring, earth leakage units, and timers
- o Options for residential, commercial, and industrial applications

Conclusion

Are there any electrical distribution box manufacturers in Zimbabwe

Zimbabwe's electrical distribution box manufacturing sector is moderately concentrated, with a handful of established companies like Cypriano Electrical and GEC leading the market, complemented by distributors and renewable energy firms that supply or assemble distribution boards. For precise procurement or partnership opportunities, consulting local business directories or contacting these companies directly is recommended .
