

Article Overview

Key manufacturers and suppliers of fiber optic cable junction boxes in Azerbaijan include OptoCom Telekom, PowerTech Ltd., INTERKABEL, and Maybo Azerbaijan.

Leading Companies

1. OptoCom Telekom OptoCom is a prominent telecommunications company in Azerbaijan, specializing in fiber optic cables and related solutions. They provide high-quality junction boxes, connectors, and power cables, serving both domestic and international markets. OptoCom emphasizes reliability, speed, and performance, and offers tailored solutions for various sectors, including large-scale network deployments .

2. PowerTech Ltd. PowerTech delivers a wide range of structured cabling systems, including fiber optic products, racks, telecom enclosures, and indoor/outdoor copper cables. Their fiber optic systems include junction boxes, converters, and connectors, supporting end-to-end network connectivity for enterprise and telecom applications .

3. Maybo Azerbaijan Maybo represents international brands and provides fiber optic testing and inspection equipment, optical loss test kits, and OTDR solutions. While primarily focused on equipment and calibration, they also supply components for fiber optic networks, which may include junction boxes and related accessories .

4. INTERKABEL INTERKABEL has over 25 years of experience in Azerbaijan's electrical and cable market. They specialize in wholesale distribution of cable and wire products, transformers, and electrical equipment. Their portfolio includes fiber optic cables and enclosures suitable for junction box applications .

5. Supplier Directory (Volza) According to Volza's database, there are 22 verified fiber optic connector suppliers exporting to Azerbaijan, which can be potential sources for junction boxes and related components. This directory provides shipment data, supplier reliability, and direct contact information for procurement purposes .

Summary

For businesses or projects requiring fiber optic cable junction boxes in Azerbaijan, OptoCom Telekom and PowerTech Ltd. are the most specialized local manufacturers, while INTERKABEL and Maybo Azerbaijan provide complementary products and equipment. Additionally, the Volza supplier directory offers access to multiple verified exporters, enabling broader sourcing options and international partnerships .
