Article Overview

You can source 100G EPON equipment in bulk in Nepal through verified wholesalers, online marketplaces, and specialized distributors like Technovate and Vistaar Trade.

Online Marketplaces

o Daraz Nepal offers a wide variety of EPON and GPON ONUs and related networking equipment. While primarily retail-focused, you can contact sellers for bulk orders and negotiate pricing for large quantities .

Specialized Distributors

o Technovate International Pvt. Ltd. provides EPON OLT devices, including models like the TE3010-04P, suitable for high-capacity network deployments. They support bulk inquiries and can provide technical specifications, pricing, and delivery options .

o FS.com supplies high-quality GPON, EPON, and XG(S)PON OLT products. While based internationally, they may ship to Nepal and offer bulk purchase options for enterprise networking needs .

Wholesale Marketplaces

o Vistaar Trade is Nepal's largest online wholesale marketplace. You can submit a Request for Quotation (RFQ) to receive multiple competitive quotes from verified local wholesalers and distributors, which is ideal for bulk procurement of EPON equipment .

o go4WorldBusiness lists verified suppliers in Nepal for bulk electronics and networking equipment, allowing buyers to compare prices and negotiate directly with manufacturers or distributors .

Recommendations

o Submit RFQs on Vistaar Trade or go4WorldBusiness to get multiple quotes and ensure competitive pricing.

o Contact Technovate directly for high-capacity 100G EPON OLTs and discuss bulk order discounts, warranty, and technical support.

o Verify supplier credentials and request product datasheets to ensure compatibility with your network infrastructure.

o Consider shipping and import logistics if sourcing from international suppliers like FS.com. By combining local wholesale marketplaces and specialized distributors, you can efficiently procure 100G EPON equipment in bulk in Nepal while ensuring quality, support, and competitive pricing.
