

Article Overview

HLC Sheet Metal Factory and GEFA are key providers of custom electrical enclosures and related electrical solutions in Burkina Faso.

HLC Sheet Metal Factory

HLC Sheet Metal Factory specializes in custom sheet metal fabrication, including electrical enclosures and cabinets. They offer services such as laser cutting, bending, welding, stamping, and hydraulic stretching, which are suitable for producing concealed electrical boxes to precise specifications. They work with various metals including stainless steel, aluminum, galvanized steel, and copper, and provide fast sampling and delivery for small to medium batches. HLC emphasizes quality assurance, confidentiality, and high-precision manufacturing, making them a reliable choice for custom electrical enclosures .

General Electrique du Faso (GEFA)

GEFA is a Burkinabe electrical company established in 2013, focusing on medium and low voltage electrical construction. While primarily involved in electrical infrastructure, GEFA can provide custom electrical solutions and installation services, which may include concealed electrical boxes as part of broader electrical projects .

Other Electrical Engineering Companies

Several other companies in Burkina Faso offer electrical engineering and installation services that may include concealed or custom electrical enclosures:

- o AGELEC: Specializes in solar and electrical system installations .
- o Authentic Business Company SARL: Provides electrical engineering, industrial electricity, and maintenance services .
- o CIEL SARL: Focuses on electricity distribution, transmission, and civil engineering projects .
- o Faso Pro Industrielles: Offers electrical installation, repair, and custom lighting systems, with experience in residential, commercial, and industrial projects .

Manufacturer Directories

For sourcing multiple suppliers, GetManufacturers.com lists verified Burkina Faso manufacturers across industries, including electronics and electrical equipment. This platform allows buyers to compare capabilities, view factory details, and contact suppliers directly for bulk orders or custom fabrication .

Burkina Faso concealed electrical box manufacturer

Recommendations

- o For custom concealed electrical boxes, HLC Sheet Metal Factory is the most specialized option due to their sheet metal expertise and precision fabrication.
- o For installation and integration into electrical systems, GEFA or companies like Faso Pro Industrielles can provide engineering and on-site services.
- o Use verified manufacturer directories to explore additional suppliers and compare capabilities for bulk or specialized orders. These options provide a combination of manufacturing, customization, and installation services suitable for concealed electrical boxes in Burkina Faso.
