

Cable tray and trunking price list

Article Overview

Cable trays and trunking prices vary widely, ranging from under \$1 for small wholesale units to over \$75 for industrial-grade systems, depending on material, type, and purchase volume.

Price Overview

- o B2C Market (Retail/Consumer): Cable trays and trunking for home or small-scale projects typically cost \$15 to \$34 per unit, with smaller items or simple PVC trays available for under \$1 in bulk purchases .
- o B2B Market (Industrial/Commercial): Bulk purchases from suppliers like Alibaba or specialized distributors can range from \$0.80 to over \$76 per unit, depending on material, size, and load capacity .

Factors Affecting Price

o Material:

- o Stainless Steel (304/316): High durability, corrosion resistance, suitable for industrial or outdoor use; higher cost.
- o Galvanized Steel: Strong and corrosion-resistant, moderately priced.
- o Aluminum: Lightweight, corrosion-resistant, mid-range pricing.
- o PVC/Plastic: Fire-resistant, lightweight, lower cost, ideal for indoor or furniture applications .

o Type of Tray or Trunking:

- o Ladder Cable Tray: Open design, supports heavy power cables, generally higher cost due to material and load capacity.
- o Wire Mesh/Basket Tray: Flexible, easy to install, moderate pricing.
- o Solid or Perforated Tray: Offers ventilation and cable protection; price varies with size and material.
- o Cable Trunking: Closed or semi-closed systems, often used for aesthetic or safety reasons, pricing depends on material and dimensions .

o Installation and Features:

- o Pre-drilled or no-drill systems can reduce labor costs but may increase unit price.
- o Fireproof or halogen-free versions are more expensive but comply with safety standards .

Supplier Options

- o Retailers: Amazon, RS Online, and local electrical suppliers offer ready-to-use trays and trunking for small projects.
- o Wholesale/B2B: Alibaba and industrial distributors provide bulk options with customization, suitable for large construction or industrial projects .

Cable tray and trunking price list

Summary

For budgeting purposes:

- o Small-scale or home projects: \$15-\$34 per tray/trunking unit.
- o Industrial/commercial bulk orders: \$0.80-\$76 per unit depending on material, size, and type.
- o Premium materials (stainless steel, fireproof) and specialized designs increase cost but improve durability and compliance with safety standards . Choosing the right product depends on load requirements, environment, safety standards, and installation ease, which directly influence the price.
