

Article Overview

Cuba produces and supplies cable trays through local manufacturers such as Cable House and Micro Sheet Crafts, offering customized and high-quality solutions.

Overview of Cuban Cable Tray Production

Cuba has an established cable tray manufacturing sector, with companies producing a wide range of cable management solutions for industrial, commercial, and infrastructure applications. Cable House, founded in 1983, is recognized for manufacturing cable trays along with other products like hose clamps, cable ties, and industrial connectors. They provide customized solutions and emphasize durability, reliable performance, and long product life, catering to both national and international markets . Another notable manufacturer, Micro Sheet Crafts, offers modular cable trays fabricated from high-grade steel and other materials. Their products undergo stringent quality tests and are available in customized specifications to meet diverse customer requirements. They focus on timely delivery and client satisfaction, making them a prominent supplier and exporter in Cuba .

Product Features and Applications

Cuban cable trays are designed to support and organize electrical cables efficiently. They are available in various types, including ladder-type, mesh, and modular trays, suitable for heavy-duty industrial use, commercial buildings, and data centers. These trays are valued for their robust construction, high durability, and compliance with quality standards, ensuring safe and reliable cable management .

Market and Sourcing

Cuban manufacturers provide both domestic and international clients with cable trays, often offering customized designs to meet specific project needs. Companies maintain quality control units, packaging facilities, and delivery systems to ensure products reach clients without defects. Interested buyers can contact these manufacturers directly for quotations, professional support, and tailored solutions . In summary, Cuba has a capable cable tray manufacturing industry, with companies like Cable House and Micro Sheet Crafts producing high-quality, customizable cable trays for various applications, ensuring both local availability and export potential.
