

## Article Overview

Hungary hosts several reputable distribution box manufacturers, including CLB Packaging, Dunapack Packaging, Elastic Kft, and Volanpack, offering custom and industrial packaging solutions.

## Key Manufacturers

CLB Packaging Kft. Founded in 1895, CLB Packaging specializes in both box manufacturing and cardboard distribution. The company offers cost-effective solutions for small and large orders, supported by well-equipped machinery and trained personnel. They focus on quality and customer satisfaction, producing a variety of cardboard boxes suitable for different industries . Dunapack Packaging Hungary Part of the Austria-based Prinzhorn Group, Dunapack is a market leader in corrugated packaging solutions. They produce boxes from 3- to 5-layer corrugated boards, using 90% recycled paper. Their product range includes transport, secondary, and display boxes, as well as customized solutions for electronics, FMCG, and fruit and vegetable industries. Dunapack also offers advanced printing options, including water-based flexographic and offset printing, and can handle complex, small-series, or large-scale orders . Elastic Kft. Operating since 1991, Elastic Kft. provides a wide variety of packaging materials and custom solutions. Based in Western Hungary, they serve both domestic and international clients, including Austria and Germany. The company emphasizes high-quality production, modern equipment, and efficient logistics to ensure timely delivery and minimal damage during transport . Volanpack Volanpack manufactures 3-, 5-, and 7-layer corrugated cardboard boxes in custom sizes. They offer various box types, including top-bottom flap boxes, telescope-type boxes, and specialized hand-made Trimite/TRY-SYS boxes. Their products can include foam or styrofoam linings for sensitive goods, handles, or locks, and they also provide additional paper-based packaging materials like corner blocks, dividers, and sorting trays .

## Summary

These manufacturers provide a wide range of customizable distribution boxes suitable for industrial, commercial, and specialized applications. They offer services such as eco-friendly materials, advanced printing, small and large series production, and logistics support. Depending on your specific needs--such as box type, material, or customization--these companies represent reliable options for sourcing distribution boxes in Hungary.
