

Distribution boxes are available for sale in the Maldives

Article Overview

Distribution boxes, including waterproof, metal, and multi-way options, are available for purchase from several suppliers in the Maldives.

Available Options

- o Waterproof Distribution Box (540 x 345 x 435mm) This box is designed for outdoor or moisture-prone environments, providing protection for electrical components. It is available from AJE Emporium in the Maldives . [View Product](#)
- o Distribution Box 24 Way Suitable for medium-scale electrical installations, this 24-way distribution box is offered by SlymFitting. Customers can inquire directly via Viber for pricing and availability . [View Product](#)
- o Distribution Box 100 Pair For larger installations, the 100-pair distribution box is available from E-Talk Maldives, ideal for telecom or network distribution purposes . [View Product](#)
- o Metal Distribution Box (W:645, L:590, H:565mm) A robust metal option suitable for industrial or commercial use is available at LeoStore Maldives . [View Product](#)

Additional Notes

- o These boxes vary in material (plastic, metal), size, and capacity, so selecting the right type depends on your installation requirements.
- o For bulk orders or customized solutions, contacting the suppliers directly is recommended to confirm stock, pricing, and delivery options.
- o While some listings focus on electrical distribution, other suppliers in the Maldives also provide corrugated carton boxes for packaging purposes, which are not suitable for electrical installations but may be relevant for shipping or storage . These options ensure that businesses and individuals in the Maldives can access a range of distribution boxes for residential, commercial, or industrial applications.
