

Article Overview

Cable tray prices vary by type, size, material, and supplier, ranging from INR90 per meter for basic trays to higher rates for specialized fittings and galvanized options.

Standard Cable Tray Prices

- o Hot-dip galvanized ladder type cable trays (standard length 2.4-2.5 meters) are commonly used in industrial and commercial wiring systems .
- o Price per meter for basic metal cable trays in India starts around INR90-INR95 per meter from suppliers like Global Manufacturers and Traders, Super Cable Tray Pvt. Ltd., and Link Electricals Bharath .
- o B2C options for home or office use, such as under-desk wire management trays, range from \$15 to \$34 per unit, with wholesale prices as low as \$0.92 .

Cable Tray Fittings and Coupler Plates

- o Coupler plates with hardware for 25/50 mm height trays: INR16-INR44 per piece depending on supplier and size .
- o Coupler plates for 75/100 mm height trays: INR30-INR67 per piece .
- o Standard specifications include side channels of 50x15 mm or 75x15 mm, rung dimensions of 35x15 mm, and rung intervals of 250 mm, with hot-dip galvanizing for durability .

Supplier and Bulk Order Information

- o IndiaMART suppliers provide direct contact for bulk orders and updated pricing .
- o Minimum order quantities typically start at 50 meters, with delivery within 3-5 days .
- o Prices are generally ex-works (Mumbai or Rabale, Navi Mumbai) and GST extra .

Market Trends

- o The global cable tray market is growing due to infrastructure development, data center expansion, and renewable energy projects, which may influence pricing and availability .
- o Industrial-grade trays are more durable and suited for professional applications, while consumer-grade trays focus on ease of installation and aesthetics . For accurate procurement, it is recommended to contact suppliers directly to confirm current rates, bulk discounts, and delivery options.
