

Article Overview

You can source wholesale fiber optic cables from top manufacturers and distributors worldwide, including Global Sources, GlobalSpec, CableWholesale, and leading European suppliers.

Global Wholesale Platforms

- o Global Sources offers over 680 fiber optic cable products from manufacturers with factory-direct pricing and low minimum order quantities. Their catalog includes gyty/gyfty fiber optic cables, active optical cables (AOC) in various lengths (1m-30m), and high-speed QSFP+ connections (40G, 100G, 400G) suitable for data centers and telecom applications (Global Sources) .
- o GlobalSpec lists 1,029 fiber optic cable manufacturers and distributors, including both U.S. and international suppliers. The platform provides access to technical specifications, product catalogs, and direct contact with manufacturers for bulk orders (GlobalSpec) .
- o CableWholesale specializes in bulk fiber optic cables for internet and networking, offering singlemode and multimode duplex cables, connectors, converters, and other accessories. They provide bulk-buy discounts and support for both short- and long-distance applications (CableWholesale) .

European Manufacturers

Europe hosts several prominent fiber optic cable manufacturers with strong wholesale capabilities:

- o WEINERT Industries AG (Germany) produces singlemode, multimode, radiation-hard fibers, polymer optical fibers (POF), and hybrid cables, with full vertical integration for custom solutions (Owirecable) .
- o Incab Europe (Germany) specializes in outdoor and aerial fiber optic cables, producing thousands of kilometers annually and offering fiber monitoring solutions for proactive troubleshooting (Ensun.io) .
- o Tratos Group (Italy) and TKH Group (Netherlands) provide industrial, residential, and subsea fiber optic cables, emphasizing R&D and sustainable production processes (Owirecable) .
- o Upcom Technologies (Turkey) focuses on FTTH solutions, data center cables, and telecom applications, with extensive testing and certification for high-performance fiber optic products (Owirecable) .

Key Considerations for Wholesale Purchases

- o Cable Type: Singlemode for long-distance, multimode for shorter distances.
- o Core Size: Singlemode typically 9 um, multimode 50/125 or 62.5/125 um.
- o MOQ and Pricing: Many manufacturers offer low minimum order quantities and direct factory pricing.
- o Customization: European and global manufacturers often provide custom cable assemblies, lengths, and connectors.

Fiber Optic Cable and Fiber Optic Cable Manufacturer Wholesale

o Support and Certification: Ensure suppliers provide technical support, testing, and compliance with industry standards. By leveraging these platforms and manufacturers, businesses can source high-quality fiber optic cables in bulk for telecommunications, data centers, and networking projects efficiently.
