

Article Overview

Wholesale fiber optic patch cords are available from verified manufacturers and distributors offering single-mode, multi-mode, and customizable connector types for bulk orders.

Key Wholesale Suppliers and Platforms

- o Global Sources - Offers a curated list of 35 verified wholesale suppliers and manufacturers of fiber optic patch cords, including OEM, ODM, and OBM options. Buyers can quickly assess product categories, minimum order quantities, and company profiles to find suitable partners for bulk purchases .
- o UnitekFiber - A professional manufacturer providing a wide range of fiber patch cords, including OFNR riser, OFNP plenum, CPR B2ca/Dca, MTP/MPO, SC/LC, and outdoor waterproof drop cables. They supply both single-mode and multi-mode fibers with various jacket types (LSZH, PVC, armored) and support high-density data center applications .
- o EFB-Elektronik - Offers LC, SC, and MTP fiber optic patch cables, including OM3 and OM4 types. They provide custom assembly options, low insertion loss, and high-quality performance for enterprise networks and data centers. Their online store allows fast and flexible bulk ordering .
- o Riteoptic - Supplies SC, FC, LC, and MPO-MTP patch cords suitable for enterprise networks, telecom carriers, and server farms. They offer RoHS-compliant, optically tested cables with customizable connectors and wholesale pricing for large orders .
- o PHXFiber - Specializes in custom fiber optic patch cords with over 15 years of experience. They provide single-mode and multi-mode cords, simplex or duplex types, various connector polish types (UPC/APC), and jacket options (PVC, LSZH, OFNP, armored). PHXFiber supports tailored solutions for LANs, optical fiber communication systems, and testing equipment .

Considerations for Wholesale Purchase

- o Connector Type: Choose from LC, SC, FC, ST, E2000, MPO/MTP depending on network requirements.
- o Fiber Type: Single-mode (G652D, G657A1/A2) for long-distance transmission or multi-mode (OM3/OM4) for high-speed data centers.
- o Jacket Material: LSZH for low-smoke environments, PVC for general use, OFNR/OFNP for riser/plenum applications, or armored for outdoor durability.
- o Customization: Many suppliers offer custom lengths, connector types, and pre-terminated solutions for specific network setups.
- o Certifications: Ensure compliance with RoHS, UL, and optical performance standards to guarantee quality and safety. By leveraging these suppliers, businesses can efficiently source high-quality fiber optic patch cords in bulk, tailored to their network infrastructure needs, while benefiting from competitive wholesale pricing and reliable delivery.

Fiber optic patch cords available for wholesale

Fiber patch cord is a type of fiber optic cable that is used to connect one device to another for the purpose
