

Article Overview

Huijue is recognized as a manufacturer of custom cable trays, alongside its broader focus on energy storage and network communication equipment.

Huijue Group, established in 2002 and headquartered in Shanghai, China, is a high-tech enterprise specializing in intelligent network communication equipment, energy storage systems, and ICT infrastructure solutions . While the company is primarily known for its energy storage systems, lithium-ion battery packs, solar inverters, and FTTX products, it is also listed as a supplier of custom cable trays in B2B marketplaces, indicating its capability to manufacture and provide cable management solutions for various industrial applications .

Product Scope

- o Cable Trays: Huijue offers custom cable tray solutions suitable for industrial, commercial, and data center environments, supporting efficient cable management and protection .
- o Energy Storage Systems: Residential, industrial, and commercial energy storage systems, including lithium-ion battery packs and hybrid energy solutions .
- o Network Communication Equipment: Outdoor telecom cabinets, data center solutions, and FTTX products for ICT infrastructure .

Global Reach and Certifications

Huijue serves clients worldwide, exporting products to Europe, North America, Southeast Asia, and other regions . The company maintains rigorous quality standards with certifications including ISO 9001, ISO 14001, ISO 45001, CE, RoHS, and CCC, ensuring reliable and compliant manufacturing .

Summary

In conclusion, Huijue is indeed a cable tray manufacturer, offering custom solutions as part of its broader portfolio of energy storage and network communication products. Their global presence, extensive production facilities, and certified quality systems make them a credible supplier for cable management and related industrial applications .
