Splice closures, enclosures, splice trays, and fiber protection sleeves are not labor - they are materials billed separately. It can safely connect and stores optical fibers. Large fiber counts on a single project drive the per-splice rate down through volume pricing - a contractor who quotes \$100/splice for a 24-fiber job may quote \$55/splice for a 288-fiber build. Always ask about volume pricing on large projects. Access and Site Conditions Aerial splicing from a. This Fiber Optic IP68 Splice Closure is a fiber optical distribution box that provides a cost-effective secure solution for the feeder cable to connect with out door drop cable in FTTx communication network system. Knowing the available options can help people or companies pick the best kind for their needs.
