

Article Overview

Mali has several manufacturers and suppliers of power distribution equipment, including local companies and international distributors serving the region.

Key Manufacturers and Suppliers

- o Machineequipments Mali Machineequipments is a leading supplier and manufacturer of power distribution equipment in Mali, offering bulk and custom solutions for industrial and commercial applications. They are known for providing reliable, world-class equipment and can be contacted via email at sales@machineequipments.com for inquiries and orders .

- o Tcsons Trading Sarl Located in Bamako, Tcsons Trading Sarl specializes in supplying and trading electrical equipment, including power distribution components. Established in 2009, the company has extensive experience in bulk supply and is recognized for quality products and services .

- o International Config - Republic of Mali Power Strips and PDUs This supplier provides power strips and PDU (Power Distribution Units) suitable for surface mount, rack mount, and general-purpose applications. Their products comply with Mali standards and are suitable for data centers, server rooms, and industrial setups .

Additional Resources

- o Electrical Equipment Manufacturing Companies in Mali Dun & Bradstreet maintains a directory of electrical equipment manufacturers in Mali, providing company profiles, financials, and contact information. This can be useful for identifying additional local manufacturers and evaluating their capabilities .

- o Customized Electrical Distribution Boxes Some international suppliers, such as those listed on Europages, offer custom-designed electrical cabinets and enclosures that can be shipped to Mali. These suppliers cater to OEMs, installers, and distributors, providing flexible solutions for various industries .

Considerations for Procurement

- o Compliance and Standards: Ensure that the equipment meets Mali's electrical standards and any relevant international certifications.

- o Customization: Some suppliers offer tailored solutions for specific voltage, size, or industrial requirements.

- o Bulk Orders and Export: Companies like Machineequipments and Tcsons Trading Sarl can handle bulk orders and may support export logistics.

- o Local Support: Choosing suppliers with a local presence in Bamako or other major cities can facilitate installation, maintenance, and after-sales support. By contacting these manufacturers and suppliers, you can source power distribution boxes, PDUs, and related components suitable for residential, commercial, or industrial applications in Mali.
