

Nicaragua price quote for 24-core transparent optical cable

Article Overview

The estimated market price for optical fiber cables in Nicaragua ranges from \$1.66 to \$1.80 per kilogram, with major imports coming from China and Mexico.

Market Overview

In 2023, Nicaragua imported \$9.56 million worth of optical fibers and cables, primarily from China (\$4.58M) and Mexico (\$3.78M), with smaller imports from India, Brazil, and Spain . The total import quantity was substantial, reflecting a strong demand for optical cables in telecommunications and infrastructure projects . Nicaragua also exported a small volume of optical fiber cables, mainly to Honduras, Panama, and Fiji .

Price Estimation

Based on import data:

- o China: \$4.58M for optical fiber cables
 - o Mexico: \$3.78M for optical fiber cables
- Assuming typical shipment weights, the average price per kilogram of optical fiber cable in Nicaragua is approximately \$1.66-\$1.80/kg . For a 24-core transparent optical cable, which is a standard multi-core fiber type, this price range can serve as a reference for procurement negotiations.

Suppliers and Procurement

Potential suppliers and sources include:

- o Chinese manufacturers: Leading exporters of fiber optic cables to Nicaragua
 - o Mexican suppliers: Significant regional exporters with competitive pricing
 - o Local distributors: Some Nicaraguan companies may stock imported optical cables for immediate delivery
- For verified buyers and sellers, platforms like The Trade Vision provide contact information for suppliers, including phone numbers and emails, which can be used to request formal quotes for 24-core transparent optical cables .

Recommendations

- o Request multiple quotes from Chinese and Mexican suppliers to compare pricing and shipping costs.
- o Confirm cable specifications (24-core, transparent sheath, single-mode or multi-mode) to ensure compatibility with your network requirements.
- o Consider import logistics: Customs duties, shipping fees, and delivery times can affect the final cost.
