

Price of Vertical Cable Tray Supports for Shafts

Article Overview

Vertical shaft cable tray supports are available starting from approximately \$0.95 per unit, with prices varying based on material, customization, and supplier.

Pricing Overview

Vertical shaft cable tray supports can range from \$0.95 per unit for basic models to higher prices for customizable, heavy-duty, or fire-resistant designs suitable for industrial and commercial applications (Alibaba.com) . Prices are influenced by material type (steel, aluminum, or recycled steel), load capacity, and additional features such as corrosion protection, powder coating, or modular adjustability (Accio) .

Factors Affecting Cost

- o Material: Steel and aluminum supports are common, with recycled steel options often slightly more expensive due to sustainability features .
- o Customization: Supports designed for unique installation geometries or IoT integration can increase unit cost .
- o Market Dynamics: Raw material price fluctuations, especially zinc and aluminum, and supply chain disruptions can impact pricing stability .
- o Certifications & Safety: Products compliant with IEC 61537 or UL 1953 standards, or with fire-resistant finishes, may carry a premium .

Supplier Options

- o Alibaba.com offers low-cost vertical cable tray supports starting at \$0.95 per unit, suitable for solar or industrial cable management .
- o TradeIndia lists multiple manufacturers and suppliers in India, providing a range of options and prices for bulk procurement .
- o Shandong Bolt Electrical Equipment Co., Ltd. provides detailed product catalogs, including vertical shaft cable trays with pricing and specifications .
- o nVent CADDY offers innovative vertical cable supports with locking mechanisms and strut mount options, typically for industrial or commercial installations .
