

Article Overview

Cable trays in Laos typically range from approximately \$10 to \$50 per meter, depending on material, type, and customization.

Overview of Cable Tray Pricing

In Laos, the price of cable trays varies based on material, size, and manufacturer. Common types include galvanized steel trays, wire mesh trays, and solid metal trays. For standard galvanized cable trays, prices generally start around \$10-\$15 per meter for basic models, while more robust or customized trays can reach \$40-\$50 per meter. Wire mesh trays may be slightly lower in cost but can increase if coated or designed for heavy-duty applications.

Factors Affecting Price

- o **Material:** Galvanized steel and stainless steel trays are more expensive than aluminum or basic wire trays due to durability and corrosion resistance.
- o **Size and Load Capacity:** Wider trays or those designed to carry heavier cables cost more.
- o **Customization:** Trays with special bends, perforations, or coatings for industrial use increase the price.
- o **Supplier and Certification:** Reputable suppliers like Brilltech Engineers and Watana Wire & Cable Company offer ISO-certified products, which may carry a premium.

Supplier Options in Laos

- o **Brilltech Engineers Pvt. Ltd.:** Offers a wide range of galvanized cable trays, both standard and customized, with ISO certifications.
- o **Watana Wire & Cable Company (WWCC):** Provides high-quality wire and cable trays for industrial and commercial projects, recognized for competitive pricing and quality.
- o **ExportHub and Trademo:** Online B2B platforms listing multiple Laos-based manufacturers and suppliers, useful for comparing prices and sourcing options.

Practical Advice

For budgeting purposes, consider \$10-\$50 per meter as a general range, but request quotes from multiple suppliers to account for material, customization, and shipping costs. Bulk orders or long-term contracts may also reduce the per-meter cost. By contacting local suppliers directly, you can obtain accurate, up-to-date pricing tailored to your project requirements.
