

## Article Overview

Cable tray prices in Singapore vary widely depending on material, type, and load capacity, with suppliers offering options from light-duty to super heavy-duty trays.

### Key Suppliers and Product Types

- o RS Singapore offers a broad range of cable trays including wire mesh, steel, and industrial trays suitable for commercial, industrial, and residential applications. They provide accessories like cable markers and binders, and support online ordering with next-day delivery .
- o AE Hub supplies metallic cable trays in materials such as stainless steel (SS304, SS316, SS316L), hot-dipped galvanized, aluminum, epoxy-coated, and mild steel. They offer light, medium, and heavy-duty trays, with covers available on request, compliant with IEC 61537, NEMA VE-1, and SS249 standards .
- o Wanco Electric provides perforated steel, hot-dipped galvanized, epoxy-coated, stainless steel, aluminum, FRP/GRP, and ZAM-coated trays. Duty ratings range from light (13mm) to super heavy-duty (50mm+), with multiple flange types and optional covers .
- o Ferrotech offers perforated, ladder, FRP, and wire mesh trays under the Ferrograte brand, suitable for efficient cable management systems .
- o Vorel provides cable trays designed for structural and mechanical support, ensuring proper cable management and protection, compliant with international standards including IEC .

### Factors Affecting Prices

- o Material: Stainless steel and FRP trays are generally more expensive than mild steel or aluminum.
- o Duty Rating: Light-duty trays cost less than medium, heavy, or super heavy-duty trays.
- o Tray Type: Ladder, perforated, and wire mesh trays have different manufacturing costs.
- o Size and Length: Wider or longer trays increase material usage and cost.
- o Standards Compliance: Trays meeting IEC, NEMA, or Singapore-specific standards may carry a premium.
- o Accessories: Covers, cable markers, and binders add to the total cost.

### Recommendation

For accurate pricing, it is best to contact suppliers directly with your specifications, including material, tray type, duty rating, and length. Many suppliers, such as RS Singapore and Wanco Electric, provide quotes upon request and can advise on bulk discounts or delivery options. This approach ensures you receive a price tailored to your project requirements.
