

Article Overview

Leading cable tray manufacturers in Qatar include Altura Industries, ICMS, Advance Line Cable Management System L.L.C, and Adastra WLL, offering a wide range of cable management solutions for industrial, commercial, and residential projects.

Key Manufacturers

1. **Altura Industries** Altura Industries is a prominent cable tray manufacturer in Qatar, providing cable trays, ladders, wire mesh trays, and trunking systems designed for smooth cable installation and compliance with BS EN 61537:2007 standards. They offer lightweight, perforated, and multi-compartment cable trays, underfloor trunking, and metal framing supports. Altura serves a wide range of projects, from electrical substations to airports and marine industries, emphasizing high-quality, competitively priced products for MEP contractors .
2. **ICMS (Industrial Cable Management System Co.)** ICMS specializes in complete cable management systems, including cable trays, ladders, trunking, and support systems. Established in 2006, ICMS is recognized for high-quality manufacturing, adherence to international standards, and metal coating solutions. Their products are designed for durability and efficiency, catering to industrial and commercial applications, with a strong focus on customer satisfaction and professional support .
3. **Advance Line Cable Management System L.L.C** Advance Line manufactures cable trays, trunkings, ladders, basket trays, strut channels, and GI switch boxes. Their factory in Birkat Al-Awamer, Doha, is equipped for large-scale production. Products are manufactured according to British standards, ensuring quality and ease of installation. Advance Line emphasizes continuous airflow in basket trays and robust support systems for industrial and commercial infrastructure .
4. **Adastra WLL** Adastra WLL provides premium cable mesh tray systems, cable tray covers, and accessories. They manufacture perforated and solid metal trays that meet international quality standards, suitable for industrial, commercial, and residential applications. Adastra focuses on durability, aesthetics, and efficient cable management, offering both standard and custom designs to meet diverse project requirements .

Summary

These manufacturers in Qatar offer a comprehensive range of cable management solutions, including:

- o Cable trays (perforated, solid, wire mesh)
 - o Cable ladders and trunking systems
 - o Basket trays and strut channels
 - o Custom and standard fittings and accessories
- They cater to industrial, commercial, residential, and specialized infrastructure projects, ensuring compliance with international standards, durability, and efficient cable management. Choosing a manufacturer depends on project scale, material requirements, and specific installation needs.
