

Selected Manufacturers of Bhutanese Level 3 Distribution Boxes

Article Overview

Key Bhutanese manufacturers of Level 3 distribution boxes include local suppliers listed in the Department of Industry Product Directory and specialized substation producers like Dongfeng.

Manufacturer Directories and Supplier Listings

o

Department of Industry Product Directory - This official Bhutanese platform lists locally manufactured products, including electrical distribution equipment. It provides product images, specifications, pricing, and contact details for verified manufacturers that meet at least 40% domestic value addition if raw materials are imported . This directory is a reliable starting point to identify Level 3 distribution box producers in Bhutan.

o

Volza Supplier Directory - Features over 1,400 exporters and suppliers in Bhutan, including electrical equipment manufacturers. Users can filter by product type, view shipment data, and access supplier contact information, making it useful for sourcing Level 3 distribution boxes .

Specialized Distribution Box Manufacturers

o Dongfeng Landscape and Environmentally Friendly Box-type Substations - This company produces prefabricated box-type substations suitable for Level 3 distribution applications. Their products feature:

o Rated voltage: 10kV high voltage, 0.4kV low voltage

o Transformer capacities: 50-630 kVA

o Fiberglass reinforced concrete shell with cold-rolled steel panels

o IP23D protection, natural and forced ventilation, and optional intelligent control systems

o Designed for outdoor use in scenic or green areas, with compact structure and easy maintenance .

Industrial Packaging and Distribution Boxes

For bulk procurement of industrial-grade distribution boxes, suppliers like Go4WorldBusiness and Awk Steelware Pvt. Ltd. provide durable packaging and box solutions suitable for electrical equipment. These suppliers offer customization, quality assurance, and nationwide delivery in Bhutan .

Summary

To source Level 3 distribution boxes in Bhutan, interested buyers can:

o Use the Department of Industry Product Directory for verified local manufacturers .

Selected Manufacturers of Bhutanese Level 3 Distribution Boxes

- o Explore Volza's supplier listings for additional contacts and export-ready suppliers .
- o Consider specialized producers like Dongfeng for prefabricated, environmentally friendly box-type substations .
- o Engage industrial packaging suppliers for protective and transport-ready distribution boxes .

These sources collectively provide a comprehensive overview of Bhutanese manufacturers and suppliers capable of producing Level 3 distribution boxes.
