

Article Overview

Key Slovakian manufacturers of power distribution boxes include ELMAX Zilina, GPV Slovakia, and HLC Sheet Metal Factory, offering both standard and custom solutions for industrial and commercial applications.

ELMAX Zilina

ELMAX Zilina is a leading Slovak company specializing in switchgear cabinets, special-purpose cabinets, and industrial automation solutions. They manufacture both standardized and customized electrical cabinets, integrating components from global brands like SIEMENS, Allen-Bradley, and TECO. The company has been operating since 1993 and holds CE and UL certifications, with a certified ISO 9001 quality management system. ELMAX also provides full project design, implementation, and servicing for technological plants and material handling equipment .

GPV Slovakia

GPV Slovakia operates multiple production sites, including GPV Cables SK in Hlohovec and GPV Electronics SK in Nova Dubnica and Piestany. They offer box-build services, electronics manufacturing, prototyping, testing, and high-volume production. Their facilities are equipped for SMT, THT, coating, and assembly, making them suitable for complex electrical distribution and control systems. GPV's Slovak sites are strategically located for easy access to Bratislava and Vienna .

HLC Sheet Metal Factory

HLC Sheet Metal Factory provides custom sheet metal fabrication and CNC machining for electrical enclosures. With over 22 years of experience, they offer services including laser cutting, bending, welding, and forming for materials such as stainless steel, aluminum, and galvanized steel. HLC specializes in small to medium batch production and ensures high precision and quality control, making them a reliable partner for custom power distribution boxes .

International Supplier Serving Slovakia

Zhejiang Liufang Cabinet Rack Co., Ltd. supplies high and low voltage switchgear cabinets, aluminum and plastic waterproof boxes to the Slovak market. Their products comply with STN EN and EU LVD standards, and they provide CE-marked solutions suitable for renewable energy projects, EV charging stations, and industrial control systems .

Summary

Slovakian power distribution box brands

For Slovak-based projects, ELMAX Zilina is ideal for integrated switchgear and automation solutions, GPV Slovakia excels in electronics and box-build services, and HLC Sheet Metal Factory offers custom sheet metal enclosures. International suppliers like Liufang provide CE-compliant, weatherproof options for specialized applications. These manufacturers collectively cover a wide range of industrial, commercial, and renewable energy distribution needs in Slovakia.
