

Source manufacturer of galvanized mesh cable trays

Article Overview

Some leading manufacturers of galvanized mesh cable trays include Eaton, Schneider Electric, Legrand, Atkore International, Marco Cable Tray Systems, and Valdinox.

Global and Industrial Manufacturers

- o Eaton Corporation: Offers comprehensive galvanized cable tray systems for industrial and commercial applications, widely used in data centers, manufacturing plants, and utility projects worldwide .
- o Schneider Electric: Provides robust galvanized cable management solutions suitable for challenging industrial environments such as oil & gas and chemical facilities .
- o Legrand Group: Specializes in cable management solutions with galvanized trays designed to withstand harsh conditions while maintaining aesthetic appeal .
- o Atkore International (Cope Cable Tray): Known for durable galvanized cable trays, particularly for petrochemical and power generation facilities .
- o Marco Cable Tray Systems: Offers versatile galvanized cable trays adaptable to complex installation environments with minimal on-site modifications .

Specialized and Regional Manufacturers

- o Valdinox: A German manufacturer specializing in steel mesh cable trays, supports, and accessories. They provide technical advice and innovative systems like EASYCONNECT(R) for faster installation and enhanced durability .
- o Mesh and Steel: Produces galvanized mesh cable trays with corrosion-resistant coatings, robust welded construction, and precision design for both indoor and outdoor applications .

Additional Options

Other manufacturers and suppliers can be found through B2B marketplaces such as Tradewheel.com, which offer customized galvanized cable trays and facilitate international sourcing for countries including the USA, Germany, and China . These manufacturers provide a range of galvanized mesh cable trays suitable for industrial, commercial, and outdoor installations, emphasizing durability, corrosion resistance, and ease of installation.
