

Article Overview

Network cabinets range from compact 6U wall-mounted units costing around \$100 to large 48U enterprise floor-standing racks priced \$1,000-\$3,000+.

Standard Sizes

Wall-Mounted Cabinets:

- o Typically 6U to 12U in height, suitable for home offices, small retail stores, or satellite offices .
 - o Depths usually range from 15-18 inches, with a standard 19-inch rack width for mounting networking equipment .
 - o Compact and space-saving, ideal for limited floor space.
- ### Floor-Standing Cabinets:
- o Commonly 12U to 27U for small to medium setups, and 42U to 48U for enterprise data centers .
 - o Height: 42U ? 73.5 inches, 48U ? 84 inches .
 - o Designed for high-density equipment, better ventilation, and easier access.
 - o Load capacity can reach up to 3,000 lbs for enterprise racks .
- ### Specialized Cabinets:
- o Deep-rack configurations for AI/GPU deployments or high-density servers.
 - o Emerging standards include 51U and 60U for future enterprise needs .

Price Ranges

Wall-Mounted Cabinets:

- o Basic 6U models: \$100
 - o Feature-rich models with glass doors: \$260
- ### Floor-Standing Cabinets:
- o Small to medium (12U-27U): \$300-\$800
 - o Enterprise-grade (42U-48U): \$1,000-\$3,000+, depending on features like airflow management, pre-installed power shelves, and modular designs .
- ### Factors Affecting Price:
- o Material quality (steel, cold-rolled steel)
 - o Ventilation and cooling options
 - o Locking doors and security features
 - o Depth and width for specialized equipment
 - o Additional accessories like cable management, shelves, and casters

Summary

- o Home/Small Office: 6U-12U wall-mounted, \$100-\$260

Standard Size and Price of Network Cabinets

- o Medium Office: 12U-27U floor-standing, \$300-\$800
- o Enterprise/Data Center: 42U-48U floor-standing, \$1,000-\$3,000+ Choosing the right cabinet depends on space availability, equipment density, and budget, with wall-mounted units ideal for compact setups and floor-standing racks for high-capacity, enterprise environments .
