

Article Overview

Cable House and Al Ashoury Cable Trays are leading manufacturers of cable tray accessories in Sudan, offering high-quality, customizable solutions for industrial and electrical applications.

Key Manufacturers

1. Cable House Cable House, established in 1983, is a recognized manufacturer and supplier of a wide range of cable management products in Sudan, including cable trays, hose clamps, cable ties, crimping tools, and industrial connectors. They provide customized solutions tailored to client requirements and are known for high durability, reliable performance, and long product life. Cable House serves both national and international markets, ensuring quality control and customer satisfaction through skilled professionals and experienced teams . 2. Al Ashoury Cable Trays Al Ashoury Cable Trays operates a pioneering factory in Sudan, producing high-quality cable trays and accessories with advanced technology and precision engineering. Their products are designed to withstand harsh industrial environments, offering durability, reliability, and safety. The company emphasizes bespoke solutions to meet specific project needs, making them suitable for modern infrastructure and large-scale electrical installations .

Product Offerings

- o Cable Trays: Ladder, perforated, and mesh types
- o Accessories: Connectors, bends, tees, reducers, and supports
- o Cable Management Tools: Clamps, ties, and crimping tools
- o Customization: Tailored solutions for industrial and commercial projects

Contact and Procurement

Both companies provide direct contact options for inquiries and orders. Prospective buyers can reach out via email or phone to discuss bulk orders, pricing, and technical specifications. These manufacturers are suitable for clients seeking reliable, long-lasting cable tray systems in Sudan. By choosing these manufacturers, businesses can access locally produced, high-quality cable tray accessories with the flexibility to meet specific project requirements .
