

Article Overview

Key core switch manufacturers and authorized distributors in the UAE include Cisco, HPE-Aruba, Juniper, D-Link, H3C, and TP-Link, supported by local integrators and resellers.

Leading Manufacturers and Brands

- o Cisco: Offers a wide range of core and enterprise switches, including Catalyst 1000, 2960, 3650, 3800, 9200, 9300, 9400 series, and Nexus 3000, 7000, 9000 series for data centers and high-performance networks. Cisco switches are available in both new and refurbished conditions through authorized distributors in Dubai and across the UAE (Networkise, IRIX) .
- o HPE-Aruba: Provides Layer 2/3 switches, PoE/PoE+ support, and modular solutions for enterprise networks, smart buildings, and campus deployments. Aruba switches are distributed by resellers like Networkise and TechMicro in Dubai .
- o Juniper Networks: Supplies high-performance core and edge switches suitable for data centers and enterprise networks, available through local integrators and distributors .
- o D-Link: Offers smart managed switches such as the DGS-1210 series with PoE capabilities, suitable for small to medium business networks. Distributed by companies like TLM International FZE .
- o H3C: Known for mission-critical enterprise switches with AI-based traffic optimization, PoE/PoE+ support, and advanced security features. H3C switches are supplied by TechMicro and other UAE integrators .
- o TP-Link: Provides Omada enterprise-grade switches for SMB and large-scale deployments, including PoE support and Layer 2/3 management .

Local Integrators and Distributors

- o Networkise Technologies: Offers a broad portfolio of Cisco, HPE-Aruba, Juniper, and other switches, including used and refurbished options, with technical support and warranty coverage in Dubai and UAE .
- o IRIX Computer Systems Trading LLC: Supplies Cisco, HP/Aruba, TP-Link, Netgear, and D-Link switches, providing professional installation, network design, and UAE warranty support .
- o TechMicro: Authorized distributor for H3C and TP-Link, supporting enterprise-grade deployments, PoE networks, and Layer 3 switches for data centers, offices, and smart buildings .
- o Refurbish.ae: Specializes in refurbished switches from Cisco, Arista, and Brocade, offering cost-effective solutions for enterprise networks .

Considerations for Core Switch Selection

- o Performance Requirements: Choose switches that support required data rates (1G, 10G, 40G, 100G, 400G) and high port density.
- o PoE/PoE+ Support: Essential for powering IP cameras, VoIP phones, and Wi-Fi access points.

UAE Core Switch Manufacturer

- o Management and Security: Layer 2/3 management, VLAN segmentation, anti-intrusion features, and AI-based traffic optimization improve network reliability.
- o Authorized Support: Ensure distributors provide warranty, technical support, and certified installation services. These manufacturers and distributors collectively cover the UAE market for enterprise, data center, and mission-critical networking, providing both new and refurbished core switch solutions with local support and deployment expertise.
