

What are some network cabinet companies in Mauritania

Article Overview

Several companies in Mauritania supply network cabinets and IT infrastructure solutions, including ICTECH Distribution and Alwadiyan Services.

Key Companies

1. ICTECH Distribution Mauritania ICTECH Distribution is a leading IT hardware distributor in Mauritania, supplying enterprise IT products including network infrastructure, servers, and UPS systems. They partner with global brands such as HP, Lenovo, Dell, ASUS, Microsoft, Huawei, and Vertiv. ICTECH provides logistics support across cities like Nouakchott, Nouadhibou, Kiffa, and Rosso, and offers services such as racked server configuration, staging, and procurement support for large IT projects . 2. Alwadiyan Services Alwadiyan Services specializes in telecom infrastructure and equipment, offering solutions for RF networks and integrated IT systems. Their portfolio includes products from internationally recognized manufacturers, and they provide turnkey site construction, covering design, installation, and final acceptance. Alwadiyan is a trusted partner for enterprises and telecom operators in Mauritania and the subregion . 3. B2B Suppliers via Europages A B2B marketplace lists 30 companies and suppliers in Mauritania that provide network cabinet accessories and related IT infrastructure products. This platform allows direct contact with wholesalers and distributors for bulk orders or specialized solutions . 4. Business Directories Mauritania's business directories, such as MauritaniaYP, feature a wide range of companies across 1,215 categories, including IT and network infrastructure. These directories can help locate additional suppliers of network cabinets and related services .

Summary

For procuring network cabinets in Mauritania, ICTECH Distribution and Alwadiyan Services are the most prominent options, offering both products and installation services. Additionally, B2B marketplaces and local business directories provide access to multiple suppliers for wholesale or specialized IT infrastructure needs. These resources are useful for enterprises, resellers, and institutions seeking reliable network cabinet solutions.
