

Article Overview

Cable trays in Botswana are primarily manufactured by Brilltech Engineers Pvt. Ltd. and Cable House, both offering ISO-certified, high-quality products.

Key Manufacturers

Brilltech Engineers Pvt. Ltd. Founded in 2007, Brilltech Engineers operates a well-equipped manufacturing unit in Botswana, producing both standard and customized cable trays to meet industry requirements. Their facility includes modern machinery and infrastructure to ensure compliance with ISO quality standards. The company emphasizes stringent quality checks from raw material procurement to final packaging, serving clients such as Hero, Kia, Bosch, and Honda . Cable House Established in 1983, Cable House is another leading manufacturer of cable trays in Botswana. They provide a wide range of products, including customized solutions, using advanced machinery and graded raw materials. Their manufacturing facility is fully equipped with modern technology to ensure durability, reliability, and long operating life of their cable trays. Cable House also serves international clients and maintains strict quality control to meet industry standards .

Manufacturing Capabilities

Both companies specialize in producing cable trays suitable for industrial, commercial, and infrastructure applications. They offer:

- o Wire mesh and ladder-type cable trays
 - o Customizable sizes and designs
 - o Durable, long-lasting materials
 - o Compliance with international quality standards
- These manufacturers also provide export services, making their products available beyond Botswana.

Summary

For sourcing cable trays in Botswana, Brilltech Engineers Pvt. Ltd. and Cable House are the primary local manufacturers, offering ISO-certified products, modern manufacturing facilities, and a range of customizable solutions suitable for various industrial and commercial applications .
