

Where to wholesale network server racks in China

Article Overview

You can buy network server racks in China from major online platforms like Alibaba and Made-in-China, or directly from specialized manufacturers such as Gcabling, Gometal, Ship Group, and OTSCABLE.

Online Platforms for Sourcing

- o Alibaba: Offers a wide range of network server racks directly from Chinese factories, allowing global buyers to source products easily and compare prices and specifications .
- o Made-in-China: Provides access to verified manufacturers and wholesalers, with options for OEM/ODM customization, bulk orders, and factory-direct pricing .

Leading Manufacturers

- o Gcabling Electronic: Specializes in floor and wall-mounted network cabinets, offering OEM/ODM services and personalized data center solutions .
- o Ship Group: Produces server racks, wall-mounted cabinets, and cabling systems with an annual production capacity of 100,000 pieces, also providing global OEM/ODM services .
- o Gometal (Langfang Gometal Network Equipment Co., Ltd): Located in northern China, this manufacturer offers network racks, server cabinets, and network solutions with a complete industrial chain and over 10 years of experience .
- o OTSCABLE: Offers standard 19", 21", 23" racks and custom server racks with tool-less shelf installation, compliant with ANSI/EIARS-310-D and other industry standards, suitable for telecom, datacom, and large network enterprises .

Considerations When Buying

- o Customization: Many manufacturers provide customizable dimensions, panel support, and locking options to fit specific technical requirements .
- o Location: Northern China (e.g., Langfang) has a large production base with a complete industrial chain, while southern cities like Shenzhen, Guangzhou, and Ningbo are also popular sourcing hubs .
- o Quality and Certification: Check for compliance with industry standards such as ANSI/EIARS-310-D, ETS 300 119, or Open Rack configurations for reliable performance .
- o OEM/ODM Services: If you need branded or specialized racks, choose manufacturers offering OEM/ODM capabilities to tailor products to your specifications . By leveraging these platforms and manufacturers, you can source high-quality network server racks in China, whether for small-scale installations or large data center projects.
