

Which Taiwanese manufacturers sell optical cables

Article Overview

Taiwan hosts a range of specialized optical cable manufacturers offering fiber optic solutions for telecom, data centers, and industrial applications.

Leading Manufacturers

ACON - Based in Taipei, ACON specializes in high-end fiber optic components, including customizable patch cords, single-mode APC connections, and ultra-low loss MPO/MTP terminations. Their products support advanced FTTx projects, data centers, and 5G network deployments, emphasizing precision and reliability in optical interconnect solutions . XFS - An OEM focused on fiber connectivity products with extremely low insertion loss and high return loss. Their products meet IEC 61753-1 Grade B standards and are Telcordia GR-326 and GR-1435 tested, making them suitable for telecom and datacom applications . Wonderful Hi-Tech - A prominent manufacturer of electronic wire and cable, including LAN and fiber optic cables. They have a long-standing commitment to innovation and quality, serving both residential and commercial broadband markets . Lorom Industrial Co., Ltd. - Offers vertically integrated cable and cable assembly solutions, including high-speed fiber optic cables for central offices, wireless base stations, and digital communications. Their focus on rapid delivery and quality positions them as a preferred supplier in telecommunications . ORing Industrial Networking Corp. - Specializes in industrial networking products and fiber optical accessories, enhancing network reliability across sectors like transportation and automation . Tai Tung Communication Co., Ltd. - Provides a wide range of FTTH products, including outdoor loose tube cables, slotted core cables, patchcords, pigtails, and optical splitters. They also manufacture copper cables and LAN solutions, supporting integrated communication networks . FiTek - Founded in 1999 in Taoyuan, FiTek focuses on indoor optical fiber cables and patch cords, offering solutions for FTTx, data centers, anti-rodent cables, and military applications. They emphasize R&D, patent-certified products, and custom ODM services .

Summary

Taiwanese optical cable manufacturers are known for high-quality fiber optic solutions, including single-mode and multi-mode cables, patch cords, and industrial networking accessories. Many companies provide customized solutions, ODM services, and support for FTTx, data centers, and telecom infrastructure, making Taiwan a key hub for optical cable production in Asia .
